

AQuery

```
graph BT; CollisionQuery --> AQuery; ElapsedTimeQuery --> AQuery; TFQuery --> AQuery;
```

The diagram illustrates a class hierarchy. At the top is a box labeled 'AQuery'. Below it are three boxes: 'CollisionQuery' on the left, 'ElapsedTimeQuery' in the center, and 'TFQuery' on the right. A horizontal line connects the three bottom boxes, and a vertical arrow points from the center of this line up to the 'AQuery' box, indicating that the three bottom classes inherit from 'AQuery'.
